It is to inform that, Corporate Social Responsibility provision under Companies Act 2013, the Margadarsi Chit Fund Private Limited has planted 43000 numbers of plants during July-2019 in Gurranguda Reserve Forest area and also dugged a bore well in Sanjeevani vanam and the bore well is connected into two over head tanks with pipeline for watering plants in Sanjeevani Vanam park area.

The plants planted during July-2019 are grown up well and they are under good maintenance by carrying out the weed removal around the plants and saucer formation for percolation water to plants, applied fertilizer and, planted shrubs (7300 No's) along the road in Bit-II of Gurranguda Reserve Forest in the month of August-2020 and 9349 Nos plants Planted in Sanjeevanivanam in the month of August-2021. The Maintenance i.e., watering and removal of weed in Sanjeevani Vanam and Gurranguda Bit-II, saucer formation for percolation water to plants, applied fertilizer, internal ploughing, weed removal around the plants and pruning of lower branches and clearance of pathways and 10,740 No's new plants Planted from August-2022 to October-2022 and maintained at Gurranguda Bit-II. The total plants (70,389 Nos) were planted and maintained well from July-2019 to December - 2023 in Sanjeevani vanam and Gurranguda Bit-II.

The work executed by Margadarsi Chit Fund Private Limited is excellent and appreciable for which of act we shall thank all Margadarshi Family.
